**Residential fees** include 21 nights lodging (December 31, 2022 to January 21, 2023), all meals and sessions. Commuter fees include lunch and dinner daily and all sessions.

### **Lodging Options:**

#### *Orchard House*

Located in a private meadow, the spacious Orchard House features four bedrooms, three bathrooms, and a fully equipped kitchen. The living room has vaulted ceilings as well as a gas-burning fireplace. The great deck wraps around both the living and dining area and has a beautiful mountain view. Each large bedroom has a balcony and sliding glass doors. The downstairs master bedroom offers a queen-size bed, private entry, and a private bathroom. The three upstairs bedrooms have one or two queen beds each, and share a common bathroom. The Orchard House has WiFi and minimal cell phone reception.

#### *Sangha House*

Our Sangha House is a large, ranch style, four-bedroom lodge with a full kitchen and two group-size bathrooms, one with handicap access. The living/meeting room has an adjoined full-size terrace overlooking Monterey Bay. This house has 4 bedrooms with a total of 18 beds. Three of the bedrooms have queen beds, allowing couples to share a room for retreat. The Sangha House has adequate cell phone reception (Verizon) but no WiFi.

#### *Yurt and Cabins*

On a quiet hillside there is a Yurt and seven heated cabins with high ceilings and large sunny windows. Heated bathhouses for both men and women are nearby. Most cabins contain a queen bed, a set of bunk beds, and a small clothing cabinet. We have one additional cabin in the shrine area.

#### *Your RV*

We will provide a parking space for your RV, but do not guarantee electric or any other hookups. A facilities fee is included for shower use. We do not permit tent camping, as the weather in January is very unpredictable, and often is cold and rainy.
